PHOTOGRAPHY WEBSITES: SEARCH

The screenshot shows the Mangin Photography Archive website's search page. At the top left is the logo for Brad Mangin Photography Archive. The navigation menu includes Portfolio, Search Archive, About Brad, and Contact, with sub-links for search, galleries, lightbox, cart, and login. Social media icons for Instagram, Twitter, and Facebook are also present. The main content area is titled 'Search' and features five image thumbnails with captions: Buster Posey (San Francisco Giants), Barry Bonds (San Francisco Giants), Instagrams, Tim Lincecum (San Francisco Giants), and Mike Trout (Los Angeles Angels). Below the thumbnails is a search interface with a 'Keywords:' input field, an 'Orientation:' section with radio buttons for Vertical, Horizontal, Square, Panoramic, and Any (with 'Any' selected), a 'Sort By:' dropdown menu set to 'Date (most recent)', and a 'Find Results:' dropdown menu set to 'with all the words'. There are 'Search' and 'Reset' buttons. To the right of the search controls are four instructional paragraphs: 'Use "&" to find images that contain both words: "image & photo"', 'Use "|" to find images that contain either word: "image | photo"', 'Use "-" to find images that contain "image" but not "photo": "image -photo"', and 'Use "(" and ")" to group parts of the search: "(photo | photograph) image"'. A final instruction 'Use quotes to match a phrase:' is at the bottom right.
